

Doorstep deliveries

Homemade dairy products delivered directly to your home or business

Our Grimshaw family at Smithills Open Farm have been milking cows in Smithills for over 35 years. Back in January 2019, we installed a brand-new pasteurising & bottling plant. We are very proud to deliver our amazing products to so many local people!

We have two herds of award-winning pedigree cows!

We are Red Tractor Assured!

Our products are made from the milk from the best cows that are looked after to the highest standards.
